

Pete Spike Dairy Judging Endowment

2009 SEMEN SALE

Certificates for the semen listed below will sell in coordination with the
Buckeye Classic Sales
Friday, April 10th prior to the Holstein and Jersey Sales

*As many of us are keenly aware, Dr. Pete Spike served as a leader, mentor, coach and friend for Ohio's dairy industry. The story continues as he is still involved in giving back to the industry AND the purebred business.

*In honor of Pete's dedication to dairy youth programs, an endowment was started in his name to assist in funding future 4-H and Collegiate judging activities. The target is \$25,000 and we are more than half way to the goal! Even in today's economy, modest contributions make a difference.

These companies have generously donated the following semen to support the endowment and all of us have the opportunity to bid and sustain another generation of enthusiastic dairy judges.
